**Vessel Walkthrough**

**Master Stateroom**

The Owner stateroom utilizes the full 27 foot beam of the yacht with a lounge area to starboard and the King bed to port , both in view of the dual position Plasma TV center located on the forward bulkhead. Appointments of silk upholstered wall panels, sojje privacy screens, plush BERBER carpeting upholstered bed with leather headboard and rough cut "JAVA"

**NIKOS ODYSSEAS PAPADAKIS**  
**I N T E R N A T I O N A L**  
**YACHT SALES & CHARTERS**

limestone topped end tables which carries a history of it's own being used as ships ballast stones for its dense weight.

His and Hers ensuite heads are accented with rich PEAR WOOD cabinetry and GRANITE counters and wall surfaces, TRAVERTINE stone floors with individually controlled sub-surface heaters. Her side has a cast iron "Steeping Tub" trimmed with mirror and granite as well as a large vanity area while His side has a custom TRAVERTINE stone shower, ample counter tops and leather settee.

#### **VIP Stateroom**

The VIP stateroom is located on the main deck forward utilizing the 180 degree panoramic view ahead. Once again the above mentioned textures and tones were utilized to create soft and comfortable accommodations.

#### **Guest Stateroom(s)**

Port and Starboard guest staterooms are forward of the accommodations foyer and are mirror imaged. The appointments consist of distressed wood cabinetry, the "JAVA" stone countertops, silk wall panels, mirror walls and plush BERBER carpet all combining for either a restful sleep or viewing the individually controlled entertainment centers.

#### **Main Salon**

The Main Salon consists of circular seating area nicely appointed with soft upholstered seating and wall surfaces along with Pear wood cabinetry and natural cork countertops. The formal dining area will seat eight guest in comfort around the goatskin finished table as well as a buffet cabinet constructed with Pecky Cyprus and the "JAVA" limestone top. Both areas have an unobstructed view out large windows that utilize plantation shutters for privacy and shading.

#### **Skylounge**

The Sky Lounge situated aft of the Pilot house and on deck day head is three areas combined into one... the first being the full service wet bar with icemaker, refrigerator, soda dispensing system and sink. The extra large gaming table is suitable for multitude friendly competitions as well as comfortable meal presentations. With the 32 inch Plasma TV which appears to be floating, the media center, be it audio or video will be an experience to please the viewer's eyes and ears.

#### **Outdoor Areas**

The outdoor areas lend themselves to many different activities from the seating forward of the pilothouse, the alfresco seating of the aft bridge deck to the unobstructed rich teak deck of the sundeck complete with lounge furniture and cooling overhead waterfall shower below the arch.

"ELBEX" CCTV system(2004)

Dual side deck fixed and single color PTZ cameras on aft deck.  
Control from Bridge and Galley Security center.

**2004 REFIT – NEW EQUIPMENT**

The interior refit took place under previous ownership in 2004 so we do not have much in the way of detail but the layout was changed so that the captain's cabin which had been below was converted to a fourth guest cabin. The interior look of the boat was completely changed, which involved stripping out much but not all of the interior.

New equipments:

Stabilizers Koopnautic Sea Rocq with Quantum Controls  
Bow Thruster Quantum Controls 100 hp. Variable speed dual prop bow thruster  
Fuel Filtration Alfa Laval Fuel Separator
